Each year, the Milan-based 29 ARTS IN PROGRESS gallery will hold the *open call* UNPUBLISHED PHOTO, a search for exceptionally talented photographers, from Italy and all across the world.

The second edition is currently open for submissions and runs until 14 June 2019.

29 ARTS IN PROGRESS gallery launches the second edition of "UNPUBLISHED PHOTO 2019", an open call centred on the new trends of contemporary photography to give a voice to the most talented emerging photographers not yet present on the market.

Since its inception, the gallery has always paid special attention to new expressions of photographic art not only through the enhancement of Italian and international masters, but also through the creation of a primary market so difficult to reach for young talents.

A specially constituted selection committee, in collaboration with the direction of the gallery, will identify each year five new photographers who will be given the opportunity to exhibit their works in a group show at 29 ARTS IN PROGRESS gallery in Milan, offering to photography collectors and lovers in the various areas some interesting and innovative trends.

Photographers can submit their portfolios through the dedicated online section on <http://29artsinprogress.com/unpublished-photo-2019/> starting from 23 April until 14 June 2019. The selection committee will then evaluate proposals and, within the 1st of July 2019, the five selected photographers will be announced.

Selection Committee - UP19:

- Giovanni Pelloso, journalist, curator and photography critic
- Francesco Paolo Campione, Director of the Museum of Cultures (MUSEC) in Lugano
- Gianluca Ranzi, art curator and critic
- Elena Zaccarelli, specialist modern & contemporary art at Christie's Italy
- Giuseppe Mastromatteo, chief creative officer at Ogilvy & Mather Italy
- Barbara Silbe, journalist and editor-in-chief of EyesOpen! Magazine

- Two collectors of contemporary art

The five finalists will have to send their work to the gallery spaces, in the times and in the manner agreed upon in the exhibition agreement.

The gallery will manage and supervise the organisation and communication of the exhibition, on view in Milan from 10 September to 5 October 2019.
